

WEL-Life at Papillion Successfully transfers Operational Ownership

Press Release:

Kismet OMA-A, LLC. d/b/a WEL-Life at Papillion would like to recognize Melissa Larson, Executive Director and the outstanding team at WEL-Life at Papillion with their successful transfer of operational ownership from Welcov Healthcare of Edina, MN to Kismet OMA-A, LLC., while remaining steadfast to providing quality care to the residents and their families with Respect, Dignity and Kindness.

On September 1st, 2018, the company transferred business operations to new ownership. While the business operations transfer occurred in September, the legal notices were not posted at the same time.

"We know transitions of this magnitude can be challenging. We appreciate the support of all involved. The WEL-Life at Papillion team and our consulting team look forward to serving the residents, families and Papillion Community for years to come," stated Wendy Soulek, CEO of Lantis, which is the management consulting company.

All parties involved offer a special thank you to the State of Nebraska, The Nebraska Healthcare Association and all the many vendors who helped with the swift transition.
